PROFESSIONAL SUMMARY

Results-driven SEO Specialist with hands-on experience in on-page and off-page SEO, keyword research, content optimization, and WordPress management. Proven track record across multiple client and personal projects — including guest-post link building, content writing, and technical SEO audits. Skilled in backlink building, SEO content writing, and basic web development (HTML, CSS, Django). Combines analytical and creative skills to improve organic search visibility, site performance, and content quality.

PROFESSIONAL EXPERIENCE

SEO Specialist — *Digital Applications*

- Execute on-page and off-page SEO strategies to improve organic search rankings and visibility
- Write SEO-optimized content for the company website, dgaps.com, targeting relevant keywords
- Build high-quality backlinks for dgaps.com to strengthen off-page SEO authority
- Conduct keyword research and optimize existing content to align with search intent
- Prepare regular SEO performance reports and manage WordPress with basic coding support

Freelance SEO & Content Specialist — *Multiple Clients*

- Delivered a full-cycle SEO project for a US-based client — covering on-page, off-page, and technical SEO, keyword research, and monthly performance reporting (Apr 2025 – Dec 2025)
- Performed a complete on-page SEO audit and optimization for a local client, freecia.pk
- Built and executed an off-page backlink strategy for a client website (Sep 2024 – Mar 2025)
- Secured a guest-post placement with a client backlink on aitestguide.com to boost client domain authority
- Currently writing SEO-focused website content for hustleideashub.com

PROJECTS

Client Content Writing — *Multiple Websites*

- Wrote and delivered SEO-optimized content across multiple client websites to improve organic visibility and engagement
- Researched keywords and tailored content strategy to match each client's target audience and search intent
- Edited and proofread content to ensure clarity, accuracy, and brand consistency before publishing

Personal Blog — *aitestguide.com*

- Write and publish SEO-optimized blog content, articles, and guest posts as a personal side project
- Plan content topics around keyword research to grow organic traffic and domain authority
- Handle basic on-page formatting, site graphics, and WordPress publishing
